2026 Term 1 begins on Saturday, 24th January.

Year 1 (in 2026) Term 1 course has been designed to ensure that students meet the high academic standards expected at the time of the year.

By attending our course, students will reinforce the foundations of their learning and get ahead of their peers.

In addition to having the advantage of getting ahead, students will be introduced with a **new general ability (G.A) module** to develop their general ability skills. as well as reading, conventions of language and numeracy skills for their future exams such as NAPLAN and OC placement tests.

Year 1 EMG Course (Sunday& Tuesday)

Year 1 EMG course will require a significant commitment of module work each week in English, mathematics and general ability due to the nature of the advanced curriculum.

In addition to having the advantage of getting ahead, EMG course will help students build a solid foundation for their future exams like NAPLAN and OC Placement Test. **Please review the updated EMG class timetable below:**

-  **English** lesson will focus on reading comprehension skills and practising spelling, vocabulary and conventions of language.
-  **Mathematics** lessons will be involved with various maths topics to make them understand mathematical theories and principles.
-  **General Ability** lesson covers basic concepts of in verbal reasoning skills.
