2027 Year 5 Summer Thinking Skills for Selective

Develop the Thinking Skills for Selective Exam Success!

Give your child a head start in preparing for the 2028 Selective School Exam with our intensive 5-day Thinking Skills course. Designed to strengthen both Critical Thinking and Problem-Solving abilities, this program equips students with the strategies and confidence needed to tackle the challenging questions found in selective thinking skills test.

Throughout the course, students will learn how to evaluate evidence, analyse arguments, identify assumptions, detect reasoning errors, and draw logical conclusions. They will also develop advanced problem-solving techniques through activities involving number concepts, tables, graphs, data processing, identifying similarities, and selecting relevant information.
