Give your child the edge they need for next year's OC exam!

Year 3 Term 2 courses are carefully designed to prepare students for the high standards of challenging OC exam next year. We go beyond academics—nurturing a love of learning while equipping students with the essential skills and strategies to excel. Strengthen their abilities in reading, writing, maths, and thinking skills so they can approach the OC exam with confidence.

SINCE 1992

What's On

7 – 13 March
Progress tests period

11 – 23 March
NAPLAN tests period

Tuesday, 7 April, 5PM
Term 2 E/B discount offer ends.

Saturday, 18 April
Term 2 begins

Saturday, 25 April
Anzac Day (NO CLASS)

28 April - 1 May
Make-up lesson period for Week 2 Saturday sessions.

Sunday, 5 July
Term 2 ends

NEW* OC FOUNDATION COURSE (OCFC)

To support our Year 3 students in preparing for next year's OC exam, we are introducing a new **OC Foundation Course (OCFC)** in Term 2. This course is designed to build the essential skills and knowledge students need before progressing to the more demanding **OC Trial Test Course (OCTTC)** in Term 3. Full details about the OCFC can be found on **Pages 3 to 5**.

Year 3 Term 2 Course

Course	Session	Class Time*	Class Location*
Year 3 WEMT	Saturday AM	8:45am – 12:15pm	G2/ 7-11 Railway Street, Baulkham Hills NSW 2153
	Saturday PM	1:30pm – 5:00pm	
	Sunday AM	8:45am – 12:15pm	
	Sunday PM	1:30pm – 5:00pm	
	Monday	5:00pm – 8:30pm	
	Tuesday	5:00pm – 8:30pm	
	Wednesday	5:00pm – 8:30pm	
	Thursday	5:00pm – 8:30pm	
	Sunday AM	8:40am – 11:50am	
	Sunday PM	1:40pm – 4:50pm	
NEW* OCFC	Monday	5:05pm – 8:15pm	G2/ 7-11 Railway Street, Baulkham Hills NSW 2153
	Wednesday	5:05pm – 8:15pm	

- **Scholarship & Sibling Discounts** are available until the Early Bird Payment Discount due date - **Tuesday, 7th April 2026, 5 PM**.

SATURDAY: NO CLASS on Anzac Day (25 April): Make-up lessons for the Week 2 Saturday session will be held on **SUNDAY, MONDAY, TUESDAY, WEDNESDAY OR THURSDAY** of the following week.

Year 3 WEMT Course

Elevate your child's learning experience with our revamped Year 3 WEMT course! Our enhanced curriculum is designed to unlock your child's full potential:

- **Exam Readiness:** Build a strong foundation in reading, mathematical reasoning, and critical thinking, crucial for upcoming assessments.
- **Writing Mastery:** Develop effective writing strategies for clear, persuasive communication.
- **Reading Comprehension:** Conquer challenging texts and ace multiple-choice questions with confidence-building techniques.
- **Maths Made Fun:** Gain a solid grasp of mathematical concepts, formulas, and problem-solving through engaging activities.
- **Thinking Skills:** Sharpen your logic through engaging exercises designed to enhance critical thinking and cognitive agility.
- **Choose Your Learning Path:** We provide two flexible ways to experience the WEMT advantage:

Year 3 Term 2 WEMT - Timetable

WEMT Session	Class Time*
Saturday AM	8:45am – 12:15pm
Saturday PM	1:30pm – 5:00pm
Sunday AM	8:45am – 12:15pm
Sunday PM	1:30pm – 5:00pm
Monday	5:00pm – 8:30pm
Tuesday	5:00pm – 8:30pm
Wednesday	5:00pm – 8:30pm
Thursday	5:00pm – 8:30pm

Year 3 Term 2 WEMT Course - Fee Schedule

	Thursday	23-Apr	\$ 75	11	\$ 85	\$ 910	\$ 835	\$ 872.50

- **Early Bird (E/B) Discount** prices are valid for **full** term payments by Tuesday, **5pm, 7th April 2026**.
- **Full Term (F/T) Discount**** prices are valid for **full** term payments by Friday, **5pm, 24th April 2026**.
- **Scholarship and sibling discounts** are available until **5pm on Tuesday, 7th April 2026**.
- **Materials distribution:** WEMT course materials will be handed out in class on the first day of their class.

OC Foundation Course (OCFC) for Year 3

Computer Based Test (laptop will be provided in class)

Get Ahead and Gain Confidence for the 2027 OC Placement Test!

We're excited to introduce our updated OC exam preparation course, which now includes a new format designed for the 2027 OC placement test.

To help students adapt to the new computer-based exam format, we are launching our OC Foundation Course (OCFC) specifically for Year 3 students. This course aims to build a strong foundation in the various question types found in the OC exam, giving students the confidence they need to transition smoothly to the computer-based OC Trial Test Course (OCTTC) starting in Term 3.

Course Structure

Students will alternate between workbook lessons and practicing exam-style questions from the OC placement test. The focus will switch weekly between Reading & Mathematical Reasoning and Thinking Skills & Mathematical Reasoning. Additionally, the weekly class tests will be **computer-based** to familiarise students with this format.

Reading:

- Each reading week covers a different format: comprehension, poems, gapped texts, and multiple matching. Students receive workbooks with practice questions to solidify their understanding of the week's text type. Vocabulary lists are provided to boost language skills.
- After the workbook lesson, students take the **computer-based** class test on the specific format, followed by a review session where the format is analysed in detail, and test questions are explained.

Mathematical Reasoning & Stage 2 Maths:

- Each week, students will learn and master topics outlined in the Stage 2 (NSW K-10 Syllabus) Maths through the workbook. This is followed by the **computer-based** mathematical reasoning test and a review session for detailed explanations and reinforcement.
- Stage 2 Maths skills are crucial for both the OC Mathematical Reasoning Test and the Problem-Solving section of the Thinking Skills Test.

Thinking Skills:

- Each thinking skills week focuses on a specific topic: critical thinking or problem-solving skills. Students will work through their workbook, which includes practice questions to solidify their understanding of the week's topic.
- The workbook lesson is followed by the **computer-based** thinking skills test on the specific topic. Finally, a review session delves into the question type in detail, providing explanations for the test questions.

Year 3 Term 2 OC Foundation Course – Weekly Lesson & Tests Schedule

Week	Topics
Week 1	<ul style="list-style-type: none"> • Reading Comprehension • Maths: Representing numbers using place value
Week 2	<ul style="list-style-type: none"> • Thinking Skills: Assessing the Impact of additional evidence & Finding Procedures I • Maths: Additive relations
Week 3	<ul style="list-style-type: none"> • Reading - Poem • Maths: Multiplicative relations
Week 4	<ul style="list-style-type: none"> • Thinking Skills: Detect Reasoning Errors & Identifying Similarity I

	<ul style="list-style-type: none"> Maths: Partitioned fractions
Week 5	<ul style="list-style-type: none"> Reading - Gapped Text Maths: Geometric measure
Week 6	<ul style="list-style-type: none"> Thinking Skills: Drawing a Conclusion & Finding Procedures II Maths: Two-dimensional spatial structure
Week 7	<ul style="list-style-type: none"> Reading - Multiple Matching Maths: Three-dimensional spatial structure
Week 8	<ul style="list-style-type: none"> Thinking Skills: Identifying Assumption & Matching Arguments & Similarity II Maths: Non-spatial measure
Week 9	<ul style="list-style-type: none"> Reading Comprehension - Revision Maths: Data
Week 10	<ul style="list-style-type: none"> Thinking Skills: Mixed of Critical Thinking & Relevant Selections Maths: Chance
Week 11	<ul style="list-style-type: none"> Mathematical Reasoning Trial Test: OCTTC format Thinking Skills Trial Test: OCTTC format
Week 12	<ul style="list-style-type: none"> Reading Trial Test: OCTTC format English Workbook lesson: OCTTC format

Boost your OCFC learning with Cyberschool:

The OC Foundation Course (OCFC) goes beyond classroom learning with Cyberschool, our online learning platform packed with helpful features, allowing students to practice the computer-based tests at home.

- **Master Your Mistakes:** After class test reviews, Cyberschool lets you revisit missed questions in Reading, Mathematical Reasoning, and Thinking Skills during the specified service period. Retrying these questions helps solidify understanding and identify areas for improvement.
- **Self-Check Your Work:** Access workbook answers on Cyberschool to check your work and learn from any mistakes. This reinforces learning and empowers you to independently review and improve.
- **Vocabulary Builder:** Put your vocabulary to the test! Cyberschool offers vocabulary practice tests during the specified service period, based on the provided vocabulary lists. This helps strengthen your language skills and prepare you for vocabulary sections in the exams.
- **Weekly CBT Practice:** Enhance your exam skills with weekly practice questions in Reading, Mathematical Reasoning, and Thinking Skills. Complete these within the designated service period. Regular practice on Cyberschool helps you become familiar with various question types and prepares you for the computer-based test format used in our OCTTC and actual OC exam.

Class Schedule

The OCFC class follows a four-day schedule. Each lesson is introduced on Saturday and then repeated on Sunday, Tuesday, and Wednesday. For students attending the OCFC Tuesday and Wednesday class, the makeup class for the last session will be held on Monday, 6th July 2026. Please refer to the schedule below for available OCFC sessions, class times and locations.

Year 3 Term 2 OC Foundation Course – Class Time & Location

OCFC Session	Class Time
Sunday AM	8:40am – 11:50am
Sunday PM	1:40pm – 4:50pm
Monday	5:05pm – 8:15pm
Wednesday	5:05pm – 8:15pm

- Saturday*: NO CLASS on Anzac Day (25 April):** Make-up lessons for the Week 2 Saturday session will be held on SUNDAY, MONDAY, TUESDAY, WEDNESDAY OR THURSDAY of the following week.

Year 3 Term 2 OC Foundation Course - Fee Schedule

Course Name	Session	Starting Date	Finishing Date	Tuition Fee per week	No. of weeks	Total	*Special D/C price
Year 3 OC Foundation Course (OCFC)	Sunday	19-Apr	5-July	\$ 75	12	\$ 900	\$ 810
	Monday	20-Apr	6-July*	\$ 75	12	\$ 900	\$ 810
	Wednesday	22-Apr	6-July*	\$ 75	12	\$ 900	\$ 810

- Special D/C price* offer** is available **only** to the parents who enrol in **both** Term 2 full-term OCFC and Term 2 full term Year 3 WEMT course together. This price does **NOT** include the WEMT course fee. Parents must pay the term 2 WEMT course fee separately.
- Scholarship discounts** are available until the **Early Bird Payment Due Date: Tuesday 7th April 2026**.
- Sibling discounts do **not** apply to the OC Foundation Course (OCFC).
- 6-July*** - For students attending the OCFC weekday classes (Wed), the make-up class for the last session will be held on Monday, 6th July 2026.
- Please consider this information when you enrol in the OCFC:** Students can only access the OCFC class test questions during their scheduled class sessions. While Cyberschool may offer limited access to review specific portions under certain conditions and policies, this course does **not** provide take-home test papers.
- Important Notes:** The Cyberschool service is **not** included in the tuition fee but is provided free of charge by Pre-Uni New College. It is available for a set period and will no longer be accessible once this period ends. Please note that the Cyberschool service is subject to change without notice.
