The Term 1 course for 2026 will commence on Saturday, 24 January.

This term represents the final stretch for Year 6 students as they prepare for independent school scholarship exams and selective school placement tests scheduled for 1st and 2nd May.

Now is the ideal time for students to strengthen their understanding and sharpen their skills in preparation for these competitive exams. To ensure a thorough review of key content and the development of effective test-taking strategies, we strongly recommend enrolling in both our WEMT and STTC courses.

Year 6 WEMT Course

The Year 6 WEMT course is designed for students ready to commit to regular weekly modules in preparation for the 2026 selective school and independent school scholarship exams. It provides a strong academic foundation while building essential test-taking skills across key subject areas!

- **Build a strong foundation** for the 2026 scholarship and selective school exams with targeted practice in writing, reading comprehension, mathematical reasoning, and critical thinking.
- **Develop powerful writing strategies** by learning how to structure, organise, and present persuasive arguments clearly and effectively.
- **Master reading comprehension** with skills to approach complex texts and multiple-choice questions.
- **Simplify mathematics** by understanding core concepts, formulas, and applying effective problem-solving techniques.
- **Sharpen thinking skills** with engaging exercises that develop reasoning, logic, and analytical ability.
- **Choose your learning Journey.** We offer two flexible options to fit your needs:
